

CALI²

Where Ease Meets the
Art of Everyday Coffee

Make Every Break Better

The rich aroma of freshly ground coffee. The taste of a perfectly crafted cappuccino. A favourite drink prepared exactly the way you like it.

CALI2 brings premium beverage experiences into the workplace with freshly prepared drinks, intuitive personalisation and contemporary design.

Whether it's a morning espresso, a fresh brew tea or a well-earned hot chocolate, every break becomes something to look forward to.

Freshly Ground. Freshly Brewed. Made Your Way.

Crafted Around Great Taste

Every great drink starts with quality ingredients.

Freshly roasted coffee beans are ground and brewed on demand to deliver rich flavour, inviting aroma and café-style quality in every cup.

From smooth americanos and creamy lattes to fresh brew tea and indulgent hot chocolate, CALI2 offers a wide range of beverages to suit different tastes throughout the day.

**Rich flavour. Consistent quality.
Every cup.**

Personalised For You

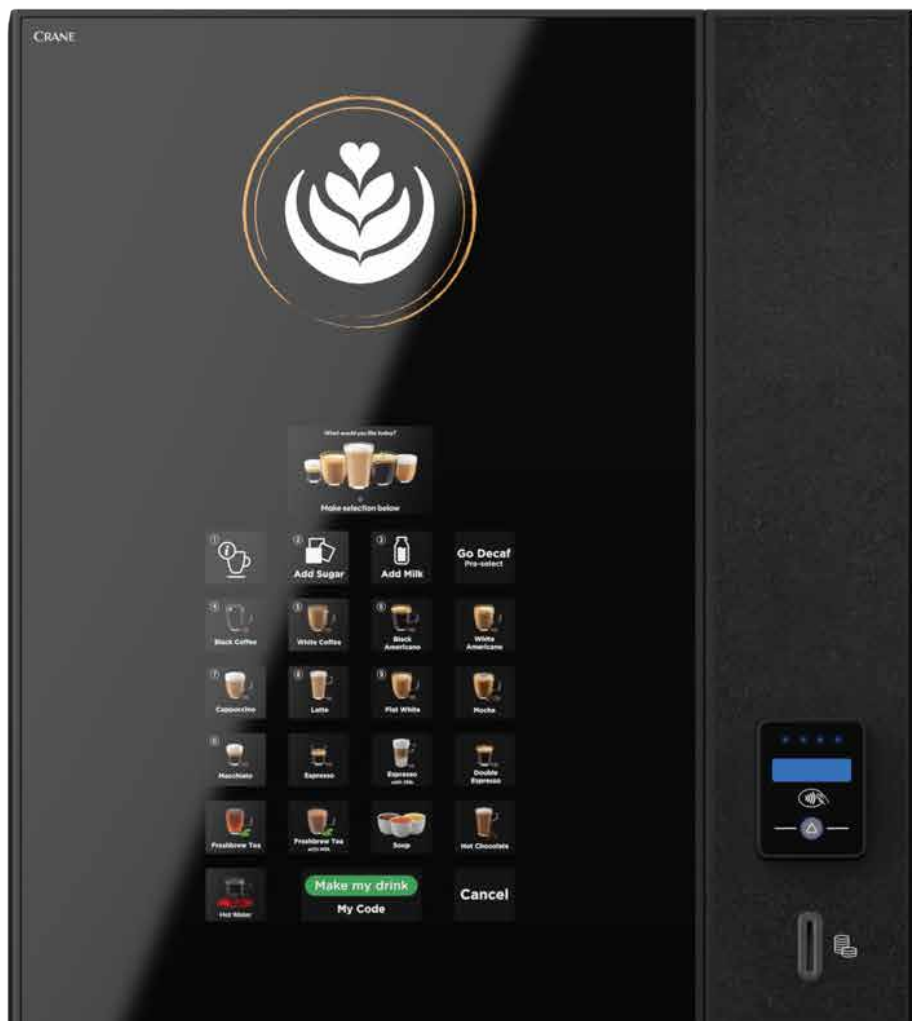

Coffee is personal.

With simple controls for coffee strength, milk and sugar, drinks can be tailored to individual preferences in seconds.

MyCode allows favourite recipes to be saved behind a unique four-digit code, making it easy to enjoy the perfect drink every time.

Nutritional and allergen information can be displayed directly on screen, helping users make informed choices with confidence.

Your drink. Your way. Every time.

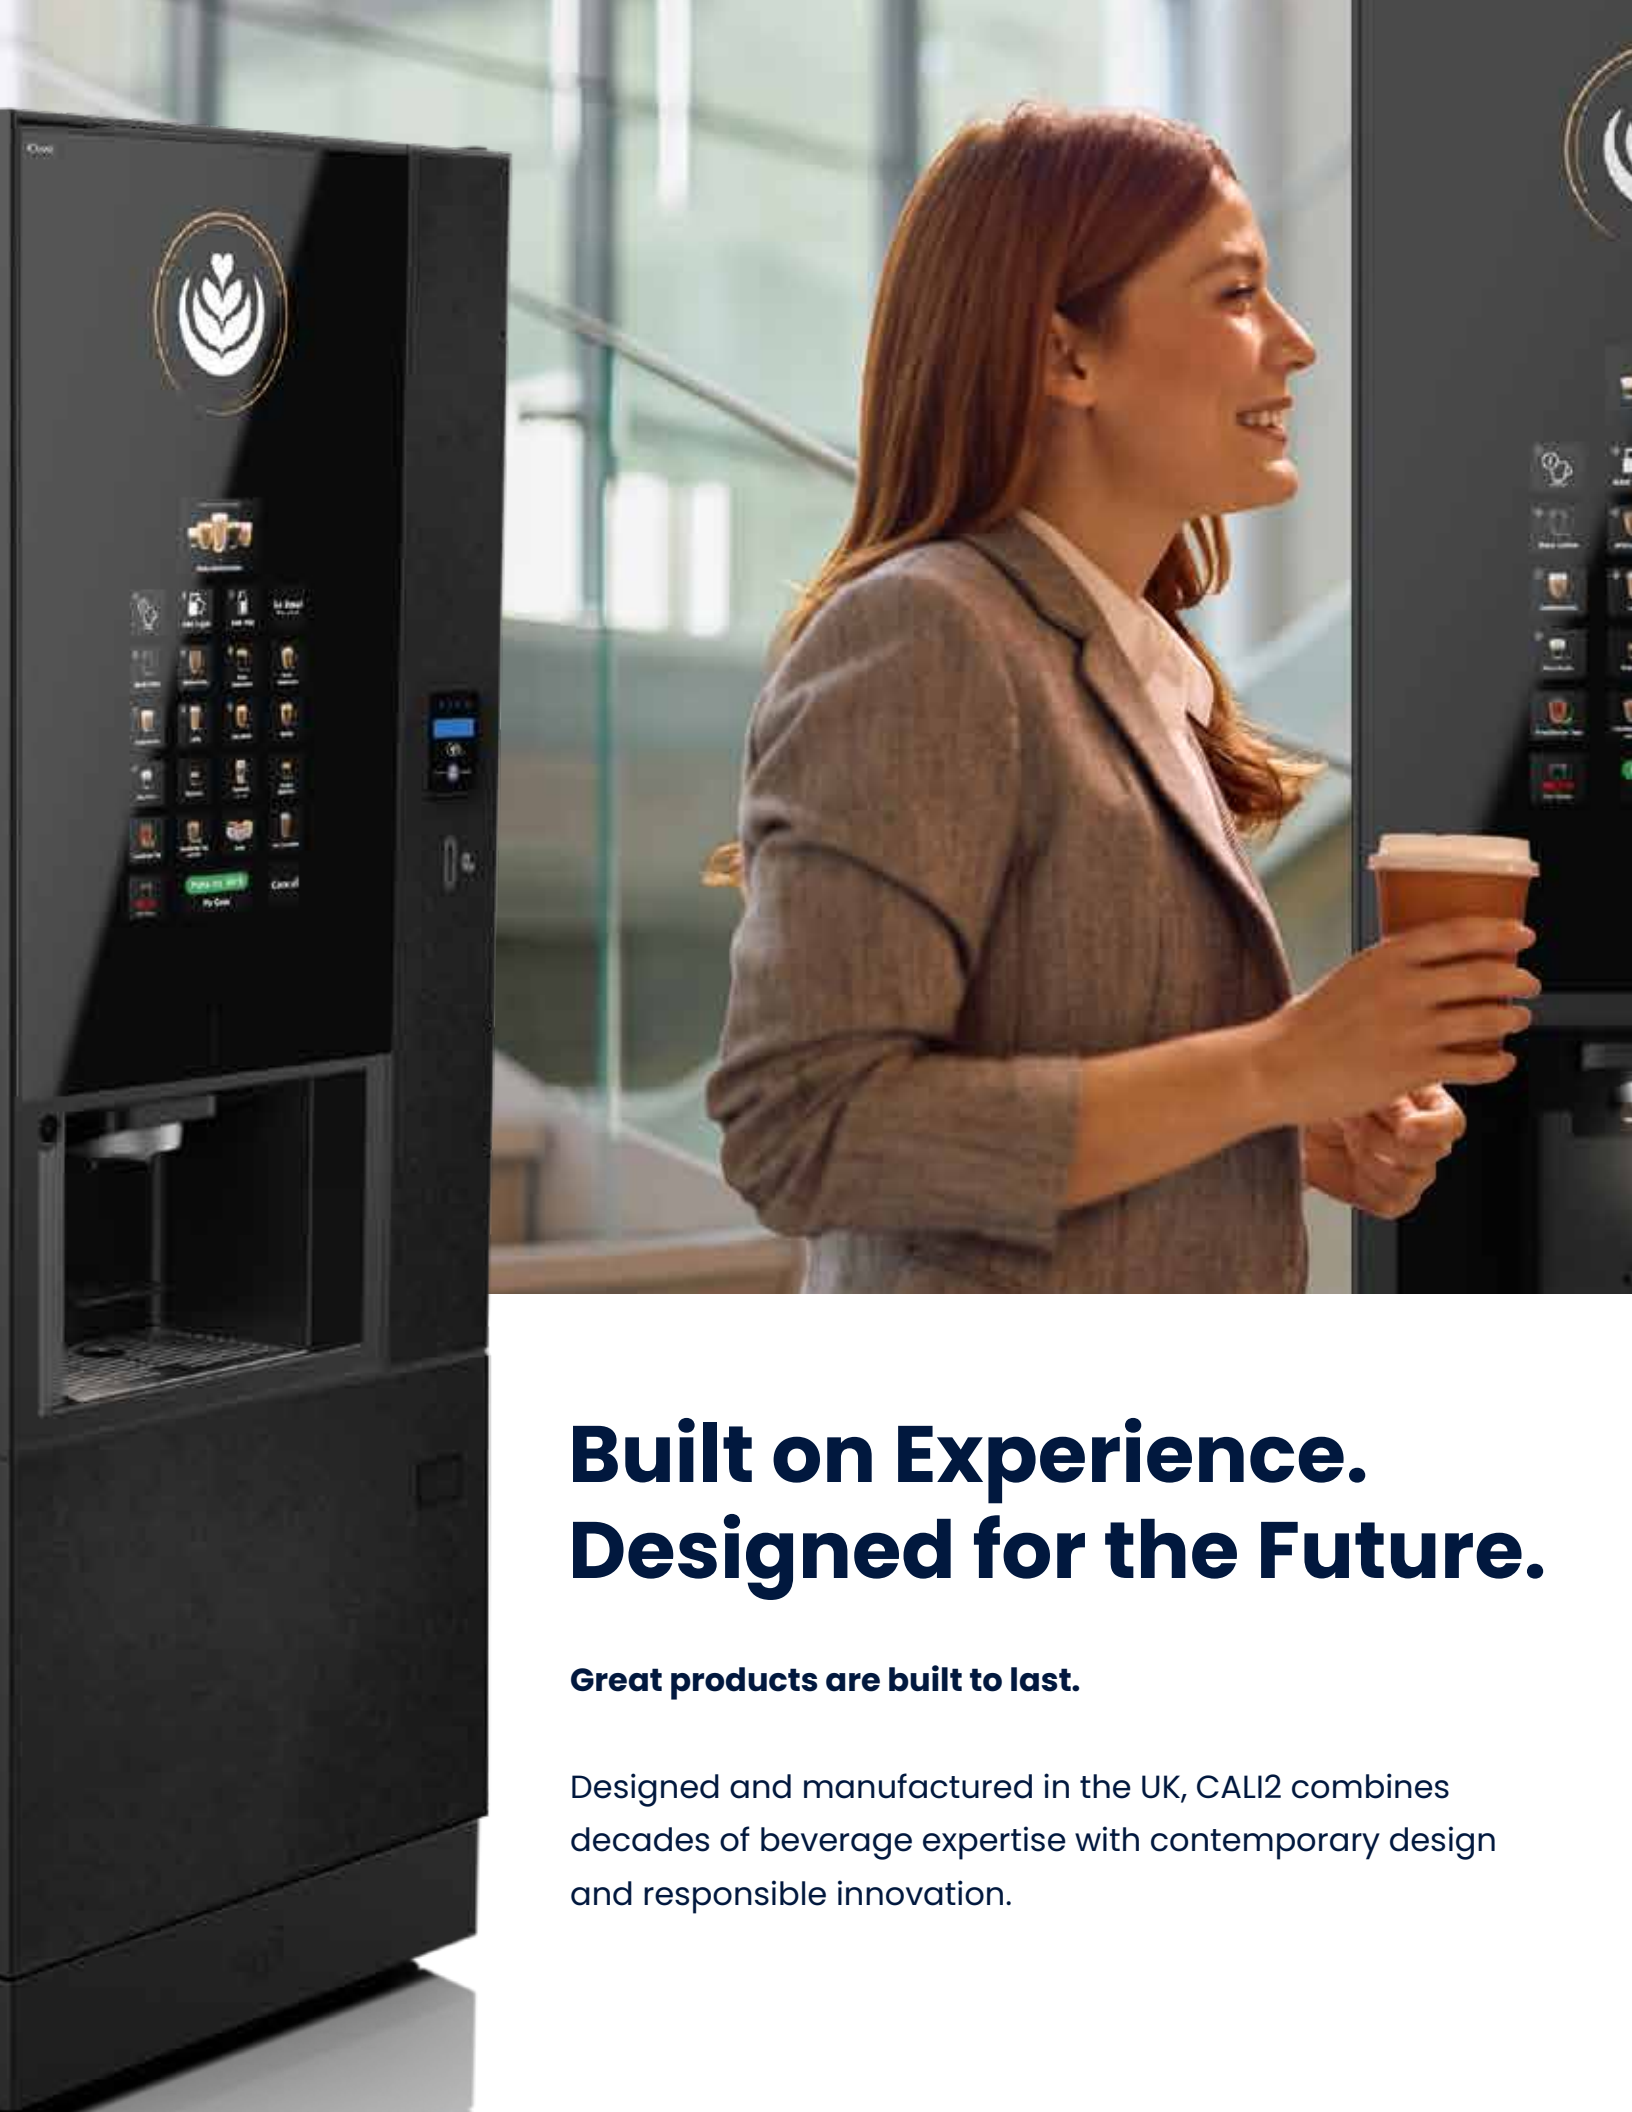

Why CALI2?

The Right Balance of Choice, Quality and Simplicity

- Freshly ground coffee beans
- Fresh brew tea
- Coffee specialities and hot chocolate
- Personalised drink customisation
- MyCode favourite drink recall
- Full-colour customer display
- Nutritional and allergen information
- Workplace messaging capabilities
- Contemporary premium design
- Fast, intuitive drink selection
- Consistent beverage quality

Everything needed for a better coffee break.

Built on Experience. Designed for the Future.

Great products are built to last.

Designed and manufactured in the UK, CALI2 combines decades of beverage expertise with contemporary design and responsible innovation.

Its retrofit-ready platform has been developed to evolve over time, supporting a second and even third life while reducing unnecessary waste and extending product longevity.

The newly designed CALI2 door delivers a fresh user experience while supporting a smarter and more sustainable approach to workplace coffee.

Built to Last. Designed to Evolve.
