

COTI[™] 2 Tower

Turn Coffee Into
A Destination

Turn Coffee Into a Destination.

A premium self-serve coffee experience designed for retail environments.

Coffee is no longer just a convenience purchase.

For many consumers, it is a daily ritual, a reason to visit and a reason to return.

COTI 2 Tower combines premium coffee, contemporary design and a connected experience to help retailers create highly visible coffee destinations that attract customers and encourage repeat visits.

A Destination Built Around Great Coffee.

Designed for Coffee-To-Go

A complete retail coffee destination for customers on the move.

Whether it's a morning commute, a lunchtime break or a quick stop during a journey, consumers increasingly expect premium coffee wherever they are.

The Retail Tower format creates a complete coffee-to-go destination, combining premium presentation, integrated cup, lid and accessory storage, and a modern customer journey in one solution.

Designed for convenience stores, forecourts, grocery, travel and retail environments.

- High-visibility tower format designed to attract attention
- Integrated cup, lid and accessory storage for a complete self-serve setup
- Premium design that supports a more elevated in-store experience
- Intuitive touchscreen journey for fast, simple drink selection
- A strong fit for busy coffee-to-go occasions

Built for Coffee-to-Go. Designed to Stand Out.

Premium Coffee Worth Coming Back For

Great coffee creates great habits.

Consumers are increasingly selective about where they buy their coffee. They expect quality, consistency and a premium experience that fits seamlessly into their day.

COTI 2 Tower combines freshly ground coffee, speciality beverages and a modern coffee-to-go experience designed to keep customers coming back.

Whether it becomes part of a morning commute, a lunch break or a regular shopping trip, every drink is designed to deliver a quality experience that reflects positively on your brand.

- Freshly ground coffee
- Premium speciality beverages
- Fresh brew tea
- Modern touchscreen ordering
- Consistent drink quality
- Premium presentation
- Intuitive customer journey
- Coffee-to-go convenience

**A Better Coffee Experience
Starts With Better Coffee.**

A coffee destination that can feel integrated into your retail experience.

No two retail environments are the same.

Whether you're creating a premium coffee destination in a grocery store, offering convenience for commuters or enhancing your forecourt proposition, COTI 2 Tower can be adapted to reflect your brand and customer expectations.

The large touchscreen and connected experience allow retailers to create customer journeys that feel integrated into the wider retail experience rather than separate from it.

- Branded screen designs
- Store-specific messaging
- Seasonal campaigns
- Promotional content
- Local offers
- Loyalty experiences
- Multiple language support
- Nutritional and allergen information

Your Brand. Your Customer Journey.

One Solution. Multiple Retail Environments.

Designed for the places customers already visit.

COTI™ 2 Tower has been designed for a wide range of customer-facing retail environments.

From grocery and convenience through to travel hubs and forecourts, the platform adapts to different retail formats while maintaining a consistent premium coffee experience.

Environment	Ideal Application	Retail Value
Grocery	Premium coffee destination within store	Encourages shopper engagement and adds a reason to visit or return.
Convenience	Coffee-to-go for everyday visits	Supports fast, frequent missions and everyday customer routines.
Forecourt	Quick premium beverages for travellers	Adds quality and convenience to the journey experience.
Travel	Consistent coffee experience for high-footfall locations	Supports busy customer flows with a clear self-serve destination.
Retail Parks	Incremental customer spend and dwell time	Creates a branded coffee moment within broader shopping occasions.
Destination Retail	Premium refreshment within larger store experiences	Helps enhance the overall visit and strengthen customer perception.

**Wherever Customers Are,
Coffee Creates Opportunity.**

Built Around Your Customers

Personal, relevant and easy to use.

Consumer expectations continue to evolve.

People increasingly expect experiences that feel personalised, relevant and easy to use.

COTI™ 2 Tower helps retailers create engaging, branded experiences that can evolve alongside customer expectations.

- Loyalty programmes
- Promotions and vouchers
- Seasonal campaigns
- Branded content
- Digital customer journeys
- Local offers
- Multiple language support
- Nutritional and allergen information

**Whether serving commuters, shoppers, travellers or visitors,
the experience can be adapted to reflect your brand and your customers.**

Turn Every Interaction Into Opportunity

Increase sales, build loyalty and unlock new revenue streams.

The large touchscreen is more than a menu.

It becomes a digital platform that can create value beyond coffee sales.

Launch promotions, reward loyalty, support sponsored campaigns and create advertising opportunities through a connected customer experience.

Using Vendlive, campaign content can be managed remotely while reporting and analytics help demonstrate campaign delivery, engagement and performance. This creates opportunities to work with coffee suppliers, FMCG brands and advertising partners in entirely new ways.

- Loyalty programmes and rewards
- Promotions and vouchers
- Sponsored campaigns
- Third-party advertising
- Brand partnerships
- Customer engagement analytics
- Campaign reporting
- Digital customer journeys

**Increase Sales.
Build Loyalty.
Unlock New
Revenue Streams.**

Powered by Vendlive

The connected layer behind the customer experience.

Behind every great customer experience is Vendlive.

First launched in 2008 and continuously enhanced since, Vendlive helps retailers manage promotions, campaigns, content and customer engagement through a single connected platform.

Track performance, understand customer behaviour, monitor campaign effectiveness and keep experiences evolving over time.

More than a management platform, Vendlive helps retailers get more value from every customer interaction.

**Designed Around Real
Retail Challenges.**

Premium Coffee. Simplified Operations.

A practical approach to premium coffee-to-go.

Many coffee-to-go concepts rely on fresh milk systems that require intensive daily cleaning, increased labour and higher levels of waste.

COTI 2 Tower takes a different approach.

It combines premium beverage quality with a simpler operating model, helping reduce cleaning requirements, minimise waste and support efficient day-to-day operation.

Deliver a premium coffee experience without the complexity traditionally associated with coffee-to-go concepts.

Premium Coffee.
Practical Operation.

Designed to Impress. Built to Last.

Distinctive design, great coffee and trusted reliability.

A successful coffee destination needs more than attractive design and quality drinks. It needs reliability.

Designed and manufactured in the UK, COTI 2 Tower combines decades of beverage expertise, premium design and dependable day-to-day operation.

The result is a solution that looks exceptional, serves exceptional coffee and continues delivering value day after day.

Distinctive Design.
Trusted Reliability.
