COTITM 2

**Designed to Evolve.
Built to Last.**

Designed to Evolve

A coffee experience that stays relevant long after installation.

First impressions matter.

With its striking asymmetrical design, open illuminated serving area, integrated aroma diffuser and contemporary coffee-bar appearance, COTI™ 2 was designed to stand apart from traditional vending machines.

More than a coffee machine, COTI™ 2 combines premium beverages, digital engagement and a connected ecosystem that can continue evolving long after installation.

You are not simply choosing a coffee machine. You are investing in an experience that stays relevant, adapts to changing expectations and continues improving over time.

Elevate Your Coffee Experience.

Built for High Demand

Engineered to keep pace with demanding environments without compromising quality.

The coffee experience begins long before the first sip.

The bold styling, integrated aroma diffuser and open serving area create an inviting coffee destination that attracts attention and encourages repeat visits.

Combined with a large interactive display and contemporary design, COTI™ 2 creates an experience that feels modern, engaging and memorable.

Whether installed in a workplace, convenience store, travel hub, retail environment or public space, COTI™ 2 helps create destinations people want to return to.

**Distinctive Design.
Memorable Experiences.**

Great Coffee Deserves a Great Stage

Built to make every cup feel worth coming back for.

COTI™ 2 is designed to elevate the everyday coffee moment. From freshly ground coffee and fresh brew tea to speciality beverages crafted with premium ingredients, the experience is built around quality, choice and consistency in every cup.

For workplaces, retail destinations and public spaces, great coffee can do more than satisfy demand. It can create a moment people look forward to, a reason to pause and a destination they remember.

- Freshly ground coffee for a more authentic coffee experience
- Fresh brew tea and speciality beverages to support broader consumer preferences
- A polished drink journey that feels simple, visual and easy to navigate
- A premium presentation from first look to final sip
- Consistent drink quality designed for busy everyday environments

Premium Coffee.
Elevated Experience.

One Platform. Multiple Possibilities.

A COTI™ 2 configuration for different spaces and experiences.

Every location is different. Some need a premium workplace coffee point. Others need a more engaging retail experience or a highly visible coffee-to-go destination.

The COTI™ 2 family gives customers flexibility to choose the right configuration for the environment, while keeping the same premium design language and coffee experience at the centre.

Configuration	Best Fit	Experience-Led Positioning
COTI™ 2 Lite	Workplaces and locations that want premium coffee with a simpler setup	A modern, premium coffee experience with an intuitive touchscreen and strong visual presence.
COTI™ 2 Vend	Workplace and semi-public environments	A connected coffee experience that can support engagement, offers and fresh content for repeat use.
COTI™ 2 Retail	Retail and customer-facing spaces	A more engaging self-serve experience with promotions, digital interaction and branded moments.
COTI™ 2 Tower	High-footfall coffee-to-go locations	A visible, retail-ready destination designed to attract attention and make coffee-to-go feel premium.

Whether the goal is workplace refreshment, retail engagement or premium coffee-to-go, COTI™ 2 is designed to fit the space and elevate the experience.

Coffee to Go. Reimagined.

A stronger self-service destination for high-footfall spaces.

COTI2 is also available with the Retail Tower configuration, creating a complete self-service coffee destination for high-footfall environments.

Designed for grocery, convenience, forecourt, travel and public locations, the Tower enhances visibility, creates stronger presence and provides a premium coffee-to-go experience.

The combination of premium design, integrated storage and the connected COTI2 experience helps transform coffee from a simple purchase into a destination that customers actively seek out.

- A highly visible retail footprint designed to stand out
- Integrated space for cups, stirrers and sugar
- A premium self-serve experience for busy public locations
- A strong fit for coffee-to-go environments where visibility and speed matter

Built for Coffee-to-Go
Designed to Stand Out.

Designed for a Second Life

A smarter approach to modernisation and long-term value.

The best products shouldn't become outdated.

COTI2 has been designed with a retrofit-ready architecture that supports future upgrades and refreshed experiences without requiring complete machine replacement.

This is more than refurbishment.

It is a smarter approach to modernisation that extends machine life while allowing locations to benefit from future innovations and updated user experiences.

Upcycle. Upgrade. Evolve.

Replace the door on your COTI or CALI to upgrade to the new experience.

Built Around the Experience

Small moments that make people want to come back.

COTI™ 2 can help make every visit feel more personal, more relevant and more connected to the location around it.

Whether it is a seasonal drink offer, a local promotion, a branded screen, accessible user journey or multilingual experience, COTI™ 2 helps turn a simple coffee purchase into a more engaging interaction.

- Loyalty programmes and rewards
- Promotions and seasonal campaigns
- Local offers and incentives
- Branded experiences and themes
- Nutritional and allergen information
- Multiple language support
- Accessible user journeys
- Personalised content and experiences

Whether in a workplace, convenience store, airport or retail environment, COTI™ 2 helps create experiences people want to return to.

Designed Around the People Who Use It.

Coffee People Want to Return To

A destination, not just a dispense point.

Great coffee experiences create habits. When the drink is enjoyable, the journey is simple and the machine feels modern, people are more likely to come back.

COTI™ 2 is designed to help locations create that repeatable moment. It combines a premium look, intuitive ordering, beverage choice and engaging digital content to make the coffee experience feel more considered and memorable.

- Attract attention with a distinctive visual presence
- Make selection simple with a clear touchscreen journey
- Encourage repeat visits through quality beverages and engaging experiences
- Support seasonal moments, promotions and fresh content that help the machine stay relevant
- Create a coffee point that feels integrated into the location, not added as an afterthought

Create the Moment.
Build the Habit.

Designed to Impress. Built to Last.

Distinctive design, great coffee and trusted reliability.

A great coffee experience needs more than attractive design and quality drinks. It needs reliability.

Designed and manufactured in the UK, COTI™ 2 is built on decades of beverage expertise and thousands of machine installations across workplaces, retail locations and public environments.

The result is a machine that combines premium design, exceptional coffee and dependable day-to-day operation.

- Designed for busy real-world locations
- Built on long-standing beverage expertise
- Created to support premium coffee experiences over time
- A reliable choice for workplaces, retail spaces and public environments
